## Instructions for Shipping Film:

- 1. Protect the Film:** Place the film in a plastic bag to shield it from moisture, then secure it in a box filled with bubble wrap for added protection.
- 2. Include Order Details:** Enclose a printed copy of your receipt or write down your order number and include it with the film.
- 3. Choose a Courier:** Ship the package using your preferred courier service.
- 4. Recommended Shipping Method:** For reliable tracking, we advise sending your film via registered mail.

### Liability Disclaimer:

By submitting any tangible or electronic media (including images, data, files, cards, discs, devices, film, prints, slides, or negatives) for services such as processing, printing, duplication, alteration, enlargement, storage, transmission, or other handling, you agree to the following terms:

- In the event of loss or damage to your media—even if caused by our negligence or fault—your sole compensation will be the replacement of an equivalent quantity or size of unexposed photographic film or electronic media.
- Beyond this replacement, we assume no further liability. Incidental or consequential damages are not covered.
- No express or implied warranties are provided.

By submitting your media, you acknowledge and accept these terms.

Handle with care. Film inside.
